

'GOLD FEVER, WHITEWATER AND GRIZZLIES'

A slide show by Jim Hargreaves

Kendal, Mon Jan 22nd

Keswick, Tues Jan 23rd

Jim Hargreaves is a "canoeing living legend" and renowned raconteur. Tossing aside the trappings of modern society, and wearing only a discarded Theakston's barrel, Jim 'Old Peculiar' Hargreaves has spent the last ten years exploring the wilderness rivers of Canada's Yukon and Northwest Territories. This should be a vastly entertaining evening as Jim explores the history, folklore and wildlife of the best of Canada's remotest and wild rivers including the Yukon, Nahanni and Mountain rivers.
