

## **Appointment of Members to the Lake District Local Access Forum**

**Are you passionate about access to the Lake District's outstanding countryside?**

Could you advise the Lake District National Park Authority on how to make the countryside more accessible and enjoyable for open air recreation for all sectors of the community, taking into account social, economic and environmental interests?

If so, we would like to hear from you. Applications are invited from people to become members of the Lake District Local Access Forum. The Forum has 20 members representing a variety of areas: recreation, land management, nature conservation and heritage, tourism and business, access for all, trade union, transport and independent. In order to maintain this balance we are looking for a total of 9 members to represent:

- independent (3)
- land management (3)
- nature conservation and heritage (1)
- recreation (1)
- transport (1)

This is an exciting opportunity to influence land-based recreational access management. Immediate tasks for the Forum include guidance on implementing new access rights arising from the Countryside and Rights of Way Act and rights of way improvement plans.
