Dear Member,

Sail the Wight 2009

I would like to express my personal thanks to all those members of East Cowes Sailing Club who made Sail the Wight 2009 a very successful event. In particular I would like to thank those members who volunteered their time and effort into preparing the site for the event - putting up marquees, moving boats, putting up lighting and bunting, to name but a few tasks. Also for helping take down the marquees and packing and storing all the equipment ready for the next Club event.

Special thanks also go to those members on the start and finish line, the patrol boat crews, and those behind the scenes, who also had an early start setting the boats off, and collecting times and results at the end.

East Cowes Sailing Club thrives on its 'self help' ethos, and the past week has shown this in action, and to very good effect.

Once again, thank you to all of you who helped out – we couldn't have done it without you!

Kind regards,

[signed on original]
