

**FOR SALE**  
**2006 Quicksilver 510 Cruiser**

The boat has been carefully used and is in excellent overall condition. An additional pedestal seat has been fitted from new and all the seating surfaces (including the cabin) are fitted with the Quicksilver cushions. There is adequate storage under the seats and under the floor accessed via the cabin. The boat has been used mainly on fresh water but has been out to sea as well. Power is supplied by a 60 Hp Mercury four stroke engine which has been used for under 140 hours (Service records are available.) The engine is an excellent starter, very quiet and economical to run. Navigation is provided by a Garmin 551S GPS (incorporating a fish finder ).

The cockpit is protected by a removable cover and there is also a spray dodger which adds height to the screen for added protection in rough conditions. The cockpit is self draining and the bilges can be emptied either automatically or manually by electric bilge pump.

The boat comes with a braked road trailer fitted with a winch for easy retrieval. ( The trailer has only been used in fresh water)

This outfit is ready to go for the new season either on the sea or inland waterway.
