Haversham Sailing Club

Following a RYA windsurfing Instructors' conference a debate took place within the club regarding the responsibility for children on the club site. We have discussed the matter with the RYA legal dept. and our directors have voted to adopt the standard RYA clause given below.

Please sign in the appropriate place to indicate your acceptance.

'Parents and guardians are warned that the club is only able to provide rescue facilities during the hours of club racing and organised Buccaneers training. Outside these hours parents and guardians have sole responsibility for their children and wards and must appreciate that the club cannot be expected to exercise supervision or control. Even during club racing and Buccaneers training the club cannot accept responsibility for children, or any other persons, not engaged in the organised activities.'
